**County Hosts Weed Information Sessions**

The Agricultural Department of the County of Grande Prairie is offering two Weed Information Sessions that will provide residents with an opportunity to learn about the most common invasive weeds found in our area.

The sessions will be held:

**Tuesday, June 21** – 5:30 to 8:00 pm  
Saskatoon Lake Hall (*BBQ Supper provided*)

**Wednesday, June 22** – 5:30 to 8:00 pm  
Albright Hall (*BBQ Supper provided*)

The sessions will feature Sonja Raven, County of Grande Prairie Agricultural Fieldman, who will be reviewing the Weed Control Act, including new prohibited noxious weeds, explaining how the Weed Inspection Process works, and reviewing the most commonly found noxious weeds in the County.

The County will also welcome suggestions on how to effectively engage ratepayers regarding weed issues.

Everyone is welcome and admission is free.
