County lifts fire advisory

Due to the cooler temperatures and recent moisture received and forecasted throughout the region, County of Grande Prairie Regional Fire Service is lifting the fire advisory immediately.

Residents are reminded that during fire season a burn permit is required. Burning is not permitted when winds reach 12 km per hour or higher. As well, we would like to remind the public that burning in the Dunes Natural Area is strictly prohibited.

To obtain a permit or for information on safe burning practices please call 780-532-9727 or visit our website at www.countygp.ab.ca/fire.
