

Traffic Advisory – For Immediate Release Tuesday, August 22, 2017

Section of Range Road 105 north of Highway 722 temporarily closing for culvert replacement Thursday

Effective on Thursday, August 24, 2017, a section of Range Road 105 north of Highway 722 will be closed for a culvert replacement until mid-September. A culvert is an underground steel tunnel that carries stream water.

Traffic is advised to detour using Range Road 104 and Township Road 712 to access Range Road 105 north of the construction zone.

All start and completion dates for culvert replacements are weather dependent.

Please see the attached map to view the location of the culvert replacement and detour routes.

The County thanks residents and travellers for their patience and cooperation.
