

Traffic Advisory – For Immediate Release Thursday, March 16, 2017

Road Ban of 50 per cent axle weight on gravel roads takes effect tomorrow

The previous road ban of 75 per cent axle weight will be adjusted to 50 per cent axle weight for all gravel roads in the County starting at 8 a.m. on Friday, March 17 and will remain in effect from 8 a.m. to 10 p.m. until further notice.

The County issues road bans during spring thaw when gravel roads are especially vulnerable to damage.

A road ban is a standard procedure put in place regularly on many Alberta roads by the Province and municipalities in order to protect important infrastructure during construction activities, maintenance or seasonal conditions such as spring thaw.

If you have any questions regarding road bans in the County of Grande Prairie or require a special permit, please contact the Public Works department during regular office hours of Monday to Friday 8:30 to noon, 1 p.m. to 4:30 p.m. at 780-532-7393.
