### **County Road Ban Change Takes Effect Immediately**

Starting at 10 a.m. Friday, May 19, a 75 per cent axle weight road ban on all County of Grande Prairie gravel roads will be in effect around the clock until further notice or unless otherwise posted.

The County has issued several road bans this year due to the quick spring thaw and high amounts of precipitation that has caused extensive damage to roads.

A road ban is a standard procedure put in place regularly on many Alberta roads by the Province and municipalities in order to protect important infrastructure during construction activities, maintenance or seasonal conditions such as spring thaw.

If you have any questions regarding road bans in the County of Grande Prairie, contact the Public Works department at 780-532-7393 or visit [www.countygp.ab.ca](http://www.countygp.ab.ca).
