County Road Ban Lifted

The County of Grande Prairie's gravel road ban has been lifted. All gravel roads will return to 100 per cent axle weight unless posted otherwise.

A road ban is a standard procedure put in place regularly on many Alberta roads by the Province and municipalities in order to protect important infrastructure during construction activities, inclement weather, and maintenance or seasonal conditions such as spring thaw.

If you have any questions regarding road bans in the County, contact the Public Works department at 780-532-7393 or visit www.countygp.ab.ca/roadbans.
