

News Release – For Immediate Release July 31, 2009

Bring the Family to Shoreline Celebration Day!

The County of Grande Prairie No. 1, Alberta Parks and Environment Canada are partnering to host an activity packed, educational experience for the whole family on Sunday, August 9th at Saskatoon Island Provincial Park from 11 a.m. to 3 p.m.

Enjoy a free BBQ lunch and take the kids pond dipping while learning how to protect and maintain healthy shorelines. Saskatoon Island is a federal Migratory Bird Sanctuary and the lake, forest and shrub land habitats are home to an incredible diversity of birds including the threatened trumpeter swan. Displays will be set up and participants will be encouraged to take part in weed pulling along the shores.

Are you a shoreline landowner with a commitment to conserving the Island's shorelines and nearby habitat? Come to an informational meeting on August 8th. To register, contact Catelin Weber at the number listed below.
