Get Ready for the Communities in Bloom Judges!

Pull those weeds and mow the lawn as The Communities in Bloom judges arrive this week. On Thursday, July 16th, the judges will tour Valhalla Centre, marking it on a scale of 1 to 5 Blooms. On Friday, the judges evaluate Teepee Creek.

The Bloom scale reflects a community's performance in 8 different categories, including: tidiness, environmental awareness, community involvement, natural and cultural heritage conservation, landscaped areas, tree/urban forest management, turf and groundcovers, landscaped areas and floral displays.

During the tour, Communities in Bloom volunteers will highlight various aspects of the 8 categories found within their communities to the judges. For these volunteers, the tour is the culmination of tireless year-round beautification efforts and community involvement.

Communities in Bloom is a Canadian non-profit organization committed to fostering civic pride, environmental responsibility and beautification through community involvement and the challenge of a national program.
