## County of Grande Prairie No. 1 Lifts Fire Ban

Grande Prairie, July 8, 2009 -

The County-wide fire ban has been lifted by the County of Grande Prairie No. 1, **effective immediately.**

Due to the recent precipitation across the County of Grande Prairie No. 1 the fire hazard within the County of Grande Prairie No. 1 has been reduced. The hazard from burning heavy fuels such as brush and root piles is still a concern so everyone is asked to be careful when deciding whether to burn these types of fuels.

Persons wanting to burn are reminded that permits are required in the County of Grande Prairie No. 1. If any information is required by anyone with regard to the type of permit that is required for their area, please contact The County of Grande Prairie No. 1 Fire Protection Office at 513-3953.

The County appreciates the co-operation of all those that were affected by the ban.
