News Release – For Immediate Release Sunday, November 18, 2012

Quick actions by firefighters limit fire spread in home

The County Fire Service responded to a reported structure fire in Clairmont at approximately 2:45 p.m. Sunday.

Seventeen firefighters in three engines from the County Fire Service responded to the fire. Firefighters were able to contain the fire to the room of origin within approximately twelve minutes of the initial call.

There were no injuries to the homeowners or fire personnel. The cause of the fire is under investigation.
