World Gym Coming to County of Grande Prairie Sportsplex in Summer 2013

In summer 2013, World Gym Grande Prairie will be opening a state-of-the-art fitness facility in the heart of the County of Grande Prairie Sportsplex for Sportsplex users, and new and existing World Gym users to enjoy.

“We are pleased that World Gym has recognized the value and investment in opening a fitness gym in the County of Grande Prairie Sportsplex,” says Leanne Beaupre, County Reeve. “The expansion of their fitness facilities and services will be of great benefit to our residents, Sportsplex users, and our region as a whole.”

The new fitness centre will be the perfect complement to the existing facility in Grande Prairie. All of World Gym Grande Prairie’s current and loyal members will have access to both facilities. World Gym will offer a range of membership plans ranging from \$40.00 to \$65.00 per month.

“When we heard about the opportunity to lease the fitness area at the Sportsplex we jumped on it,” says Hussain Akbar, World Gym Grande Prairie Director. “Our team is only committed to one thing – the well-being of our members; so opening a second location will help accomplish this goal.”

The 4,000 sq. ft. space on the second floor of the Sportsplex will be filled with top-of-the-line equipment consisting of a weight machine full circuit, free weights, and a cardio theatre. Certified fitness and personal training services will also be available.
