NEWS RELEASE – For Immediate Release Friday, March 22, 2012

Wapiti Corridor Planning Society holding its annual general meeting on March 26th

The Wapiti Corridor Planning Society encourages the public to attend its annual general meeting on March 26th at the Evergreen Park TEC Centre from 7 p.m. to 9 p.m.

During the meeting, the Wapiti Corridor Planning Society (WCPS) will be reviewing their activities and their accomplishments of the past year, discussing key recommendations included in the Wapiti Corridor Multi-Use Plan and the future role of WCPS after the Plan is submitted to Alberta Environment and Sustainable Resource Development. WCPS will also be holding the board members' election for the 2013 year.

"Residents, organizations, conservationists, recreationists, or anyone with a vested interest in the Wapiti River Valley can join WCPS," says Jerry Bauer, WCPS President. "By becoming a board member you can help provide direction to the Provincial government, the County of Grande Prairie, and the Municipal District of Greenview on land management decisions in the Wapiti River Valley.

The final copy of the plan will be available in May. To view a draft copy of the Wapiti Corridor Multi-Use Plan, visit www.wapiticorridor.ca. For more information please contact Jim Hammond in the County of Grande Prairie Planning and Development department at 780-882-5795.
