

News Release – For Immediate Release Wednesday, April 24, 2013

Shirley Feldberg, Legislative Services Manager Retiring from County; Sheryle Runhart accepts position as new manager for Legislative Services

Shirley Feldberg's last day working for the County will be Friday, April 26. Thereafter, Sheryle Runhart will be the new Manager of Legislative Services.

"Shirley's been an important member of the County family for many years, her knowledge and thoughtful gestures and positive attitude will truly be missed," says Bill Rogan, County Administrator.

Shirley has worked for the County of Grande Prairie for seven years, first as an Administrative Assistant, then as Manager of Legislative Services. Prior to her tenure at the County, she worked for other municipalities in administration and finance roles over a 38 year duration.

"It's been such a great experience working for the County these past seven years; my colleagues are more like family to me," says Shirley Feldberg, Legislative Services Manager. "I've made many fond memories here; however it's time to enjoy retirement spending time with family and friends, fishing, hunting and gardening."

Sheryle Runhart, new Manager of Legislative Services, has been with the County since 2007 previously as an Administrative Assistant for Public Works and Executive Assistant for the CAO and Council.

"We're confident that Sheryle will excel in this new role," says Rogan. "We're looking forward to having her take on these new legislative services responsibilities."
