## **Fire near Weyerhaeuser mill 75 per cent contained**

County of Grande Prairie Fire crews continue to assist battling a fire moving northeast away from the Weyerhaeuser mill. The fire covers 20 hectares and is 75 per cent contained. Tankers and rotary wing aircraft are supporting ground personnel.

No structures are threatened. Traffic is still being detoured so the public is urged to avoid the area.

Updates will be provided as further information is available.
