

## **NEWS RELEASE** – For Immediate Release Sunday, May 5, 2012

### **Sanitary line installation closes sections of 98 & 99 Streets in Clairmont**

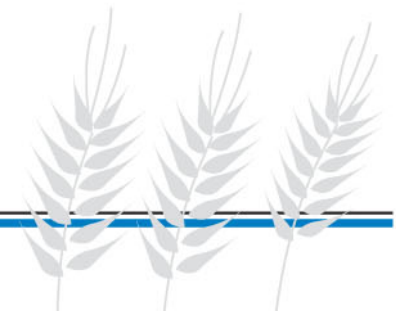

Motorists are advised that the following roads in the Hamlet of Clairmont will be closed in order to complete the installation of a sanitary line. The closure affects 98 Street south of 100 Ave., 99 Street south of 100 Ave., and 98 Ave. east of 99 Street. Construction starts Monday, May 5, 2013, and is expected to last for two weeks.

The sanitary line installation will tie future developments west of Highway 2 into the existing Aquatera sanitation line in Clairmont.

Motorists should use alternate routes and are asked to use caution in the area.

For more information contact Public Works at 780-532-7393.
