**County lifts fire advisory and restores burning permits**

Due to the recent rain fall and high humidity levels, the County of Grande Prairie has lifted the fire advisory as of 3:00 p.m., Monday May 27, 2013.

Burning permits are required in all areas of the County in the fire season. To obtain a burning permit, please contact 780-532-9727 or visit [www.countygp.ab.ca](http://www.countygp.ab.ca) to obtain and submit the online request form.

As a condition of any burning permit, no burning is allowed when winds exceed 12 kph.

The County of Grande Prairie thanks residents for their patience and diligence in fire safety practices.
