County Fire Crews Respond to Oilfield Battery Fire

At approximately 5:23 p.m., the County of Grande Prairie Regional Fire Service responded to a report of an oilfield battery on fire caused by lightning on Township Road 714 and Range Road 45 between Bezanson and Clairmont.

County fire crews arrived on scene and confirmed that the fire is contained to the lease site. Private industrial fire control companies are now responding to the incident to extinguish the fire on the lease site.

There is no danger to the public at this time; however, the public is advised to avoid the area.
