County of Grande Prairie hosts Board Leadership Event for Rural Not for Profits

County Family and Community Support Services (FCSS) is hosting Board Leadership Northwest 2018, a conference for individuals involved in not-for-profit, social profit and voluntary sector organizations.

“The conference will provide the not for profit, social profit and voluntary sector organizations that do tremendous work in their communities in the County with fundamental information and tools they need to be successful,” said FCSS Director Kathleen Turner. “This event is focused on rural-based organizations; however all not for profit organizations that serve rural residents and communities are welcome to attend.”

Presented in partnership with Alberta Culture and Tourism, the full-day learning event will host sessions on a variety of topics including fund and organizational development, major capital projects, governance, financial management and more. The province collaborates to present these workshops in communities throughout Alberta to support the development of rural organizations.

Board Leadership Northwest 2018 will be held on September 22 at the ENTREC Centre, Evergreen Park. Welcome and registration begins at 8:30 a.m. and the conference will run until about 3:30 p.m. Registration is \$25 per attendee, lunch included. The deadline to register is September 10.
