County of Grande Prairie recognizes 46 staff with Long Service Awards

The County of Grande Prairie handed out recognition awards for long term service this past Saturday, December 8, during the County's annual Staff Christmas Party. In total 46 team members were honoured.

"We are very fortunate to have so many long term staff working with the County," commented County CAO Bill Rogan. "The commitment of our people makes an incredible difference in providing a higher level of service to our ratepayers. It also speaks to the positive work culture we have developed as an organization,"

Among the recipients, Vaughn Dueck, Community School Liaison with the Family and Community Support Services department (FCSS), is celebrating 25 years with the County.

"What I like most about working for the County is their belief that individuals and families are important investments," stated Dueck. "I have enjoyed working for the County for 25 years because of its ongoing support for the School Liaison Program and commitment to deliver the best service possible to the communities with which we serve."

Forty-five other employees received Long Service Awards this year, two of which have been with the County for 15 years, 16 for ten years, and 27 for five years.
