Snow removal efforts underway on County roads

Snow removal crews are working to clear snow from various roads in the County.

Crews are clearing main paved roads as a priority; followed by arterial and local gravel roads.

The crews dedicated to snow removal in County hamlets will begin clearing roads on Monday, November 19th in the following order:

- November 19: Clairmont north of 108 Avenue
- November 20: Clairmont south of 108 Avenue
- November 21 & 22: The subdivisions of Westlake Village and Whispering Ridge in Clairmont
- November 23: The subdivision of Wedgewood

Residents are advised to watch for snow removal crews in their neighbourhood and ensure their vehicles are not parked on the roadside while crews are at work clearing streets. As well, residents are advised to not pile or push snow from their driveways or property onto the roads as it slows the snow clearing process and creates a traffic safety hazard.

Please note that the snow removal schedule is tentative and there may be changes to the schedule in unforeseen circumstances. For more information about the snow removal procedure in the County, visit www.countygp.ab.ca/roadmaintenance.
