

Traffic Advisory – For Immediate Release Thursday, October 4, 2018

Section of Range Road 81 south of Highway 43 temporarily closing for culvert replacement next Tuesday

Effective October 9, 2018, Range Road 81 from Highway 43 to Township Road 712 will be closed for a culvert replacement. A culvert is an underground steel tunnel that carries stream water.

The project is anticipated to be completed early November, weather dependent. Traffic is advised to detour using Range Road 80 and Township Road 712.

All start and completion dates for bridge repairs are weather dependent.

Please see the attached map to view the location of the culvert replacement and detour routes.

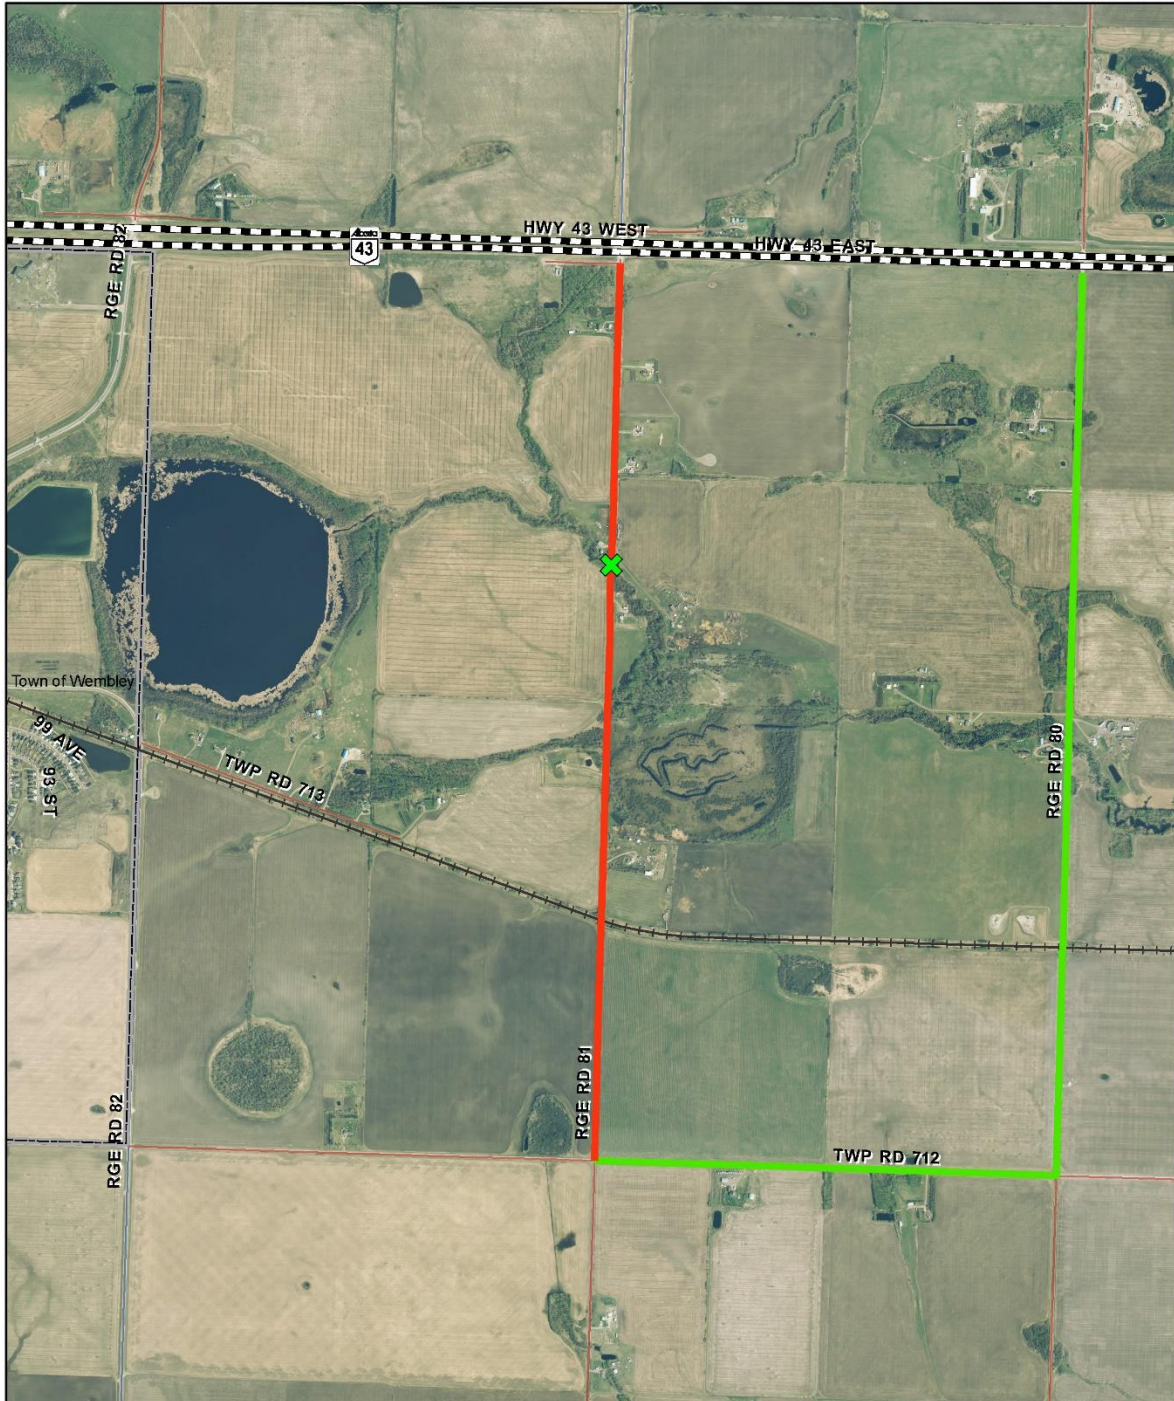

The County thanks residents and travellers for their patience and cooperation while bridge repairs are underway.

For more information, contact the Public Works department at 780-532-7393.
