

News Release – For Immediate Release Thursday, February 22, 2018

County Assessors Beginning Property Re-inspection Next Week

Assessors will be travelling door-to-door during regular business hours in selected areas within the County boundaries starting on Wednesday, March 1 until further notice, to conduct property re-inspections.

Chief Assessor Barry Donovan explained, “The County Assessors re-inspect properties to ensure that assessment records are accurate and up-to-date; however, not all properties within the County are visited every year because of recent re-inspection or nothing has drastically changed to the properties.”

County assessors will be visiting properties within the Town of Sexsmith as well as Ranges 2 to 4, the eastern portion of the County of Grande Prairie. Refer to the map attached to view the specific areas where assessors will be re-inspecting.

Property re-inspection is a standard policy put in place by the provincial government that requires all Alberta municipalities perform ongoing re-inspections and complete overall inspections of all properties in a five-year term. The County assesses properties to determine their estimated market value annually, which is used to calculate property taxes.

County assessors will be wearing photo identification badges. If residents are not home, assessors may leave a door hanger with information to contact the Assessment department. Assessors may take exterior photos as part of the assessment process. If you have any questions, please contact the County Assessment department at 780-513-3952.

All information collected during the re-inspection is subject to the Freedom of Information and Privacy of Protection Act.
