

Traffic Advisory – For Immediate Release Thursday, September 27, 2018

Range Road 60A and Township Road 704A intersection temporarily closed for CN railway crossing upgrades

Canadian National Railway has closed the intersection located at Range Road 60A/Resources Road and Township Road 704A to complete upgrades to the railway crossing for the intersection improvement project taking place in the area. The intersection is anticipated to reopen in early October, weather permitting.

Traffic requiring access to Mandalay Estates or the off-road staging area during the closure can detour using Township Road 710 (Evergreen Park Road).

Please see attached for the project map. The red line indicates where the intersection closure is and the green line indicates the detour route.

The County is investing a total of \$37.4 million in 2018 on capital road projects, and an additional \$20 million over 2017 and 2018 on road improvements in all nine divisions of the County. For a complete list of roads slated for upgrades this construction season, visit www.countygp.ab.ca/roadconstruction.

The County thanks motorists for their patience and cooperation throughout the construction season.
