

News Release – For Immediate Release Friday, January 18, 2019

Snow removal efforts underway on County roads

Snow removal crews are working to clear snow from various roads in the County.

Crews are clearing main paved roads as a priority; followed by arterial and local gravel roads.

The crews dedicated to snow removal in County hamlets will begin clearing roads in Clairmont, north and south of 108 Avenue, starting Monday. After that, crews will be in the area of Whispering Ridge and Westlake Village. Once roads in Clairmont are complete, crews will move to the subdivision of Wedgewood.

Residents are advised to watch for snow removal crews in their neighbourhood and ensure their vehicles are not parked on the roadside while crews are at work clearing streets. As well, residents are advised to not pile or push snow from their driveways or property onto the roads as it slows the snow clearing process and creates a traffic safety hazard.

Please note that the snow removal schedule is tentative and there may be changes to the schedule in unforeseen circumstances. For more information about the snow removal procedure in the County, visit www.countygp.ab.ca/roadmaintenance.

As a reminder, all primary and secondary highways are the responsibility of and maintained by Alberta Transportation. If you have questions or concerns about maintenance of these roads please contact Alberta Transportation at 780-538-5310. For updated highway conditions and reports, please call 5-1-1 or visit 511.alberta.ca.
