

News Release – For Immediate Release Tuesday, February 26, 2019

County snow removal to begin in Whispering Ridge and Westlake Village on Tuesday afternoon

County crews dedicated to snow removal in hamlets are expected to begin working in the subdivisions of Whispering Ridge and Westlake Village by late Tuesday afternoon.

Once roads in those neighborhoods have been cleared, crews will move to the subdivisions of Wedgewood, Taylor Estates and Maple Ridge, which is expected to be by Thursday afternoon.

County residents are reminded that temporary parking restrictions are in effect for areas where snow removal crews are working, or will begin work within the next 24 hours.

Currently, a parking restriction is in effect for the subdivisions of Whispering Ridge and Westlake Village.

The County has installed new signage at the entrances to specific County neighbourhoods and will be revealed 24-hours prior to crews working in the area. When the No Parking sign is visible, parking on roadways is not permitted. Residents are also reminded to not pile or push snow from their driveways or property onto the roads as it slows the snow clearing process and creates a traffic safety hazard.

Please note that the snow removal schedule is tentative and there may be changes to the schedule in unforeseen circumstances. For more information about the snow removal procedure in the County, visit www.countygp.ab.ca/roadmaintenance.
