

## Tri-Municipal Industrial Partnership Area Structure Plan Public Engagement

The Tri-Municipal Industrial Partnership has prepared a Draft Area Structure Plan that establishes land use policy, access requirements, and servicing needs for a proposed world class heavy eco-Industrial District located in the Municipal District of Greenview, south of Grande Prairie City and County on Highway 40.

The TMIP will engage with the public in order to:

- Build a common understanding about the Draft Area Structure Plan, which will guide development within the District;
- Gather public input and feedback regarding the Draft Area Structure Plan; and,
- Understand what expectations the public may have related to the District.

TMIP encourages members of the public to attend one of three upcoming events to learn more about the Draft Area Structure Plan

### **Planners in Public Spaces**

January 29, 2019, 3:30pm - 5:30pm  
Centre Court, Prairie Mall Shopping Centre
