County of Grande Prairie road ban update

Effective 7 a.m. on Friday, May 10, the road ban on County of Grande Prairie gravel roads has been adjusted to 75 per cent axle weight 24-hours a day until further notice.

The County issues road bans during spring thaw when gravel roads are especially vulnerable to damage.

A road ban is a standard procedure put in place regularly on many Alberta roads by the Province and municipalities in order to protect important infrastructure during construction activities, maintenance or seasonal conditions such as spring thaw.

If you have any questions regarding road bans in the County of Grande Prairie, contact the Public Works department at 780-532-7393 or visit countygp.ab.ca/roadbans.
