Is basement being developed at time of construction? ☐ Yes ☐ No

Project Description:

Permit Applicant Declaration: The permit applicant hereby certifies that this installation will be completed in accordance with the Alberta Safety Codes Act and Regulations, all applicable Codes, and Municipal Bylaws. Work shall commence within 90 days from the date of the issuance of the permit and expires in accordance with the County of Grande Prairie No.1's Uniform Quality Management Plan (QMP) without extension request. If the work authorized by the permit is suspended or abandoned for a period of 120 days at any time after the work has commenced, the permit will expire.

Personal information collected on this form will be used for the purpose of processing the application(s). This collection is authorized by Section 4(c) of the Protection of Privacy Act and section 642 of the Municipal Government Act and/or the Safety Codes Act. The information collected will be subject to the Access to Information Act and may be available to the public via Council meeting attendance or Council discussions that are video recorded and available to the public on the County website. If you have any questions on the collection and use of the information; please contact the Access and Privacy Representative at 780-532-9722.

In the event that this permit is taken out to complete works started under a cancelled permit for the specific project, the applicant assumes responsibility that any previous work started for the project is completed in accordance with Safety Codes Standards by time of project completion.

I hereby certify that I am the owner or owner's agent of the property for this application. I have read and understood the statements printed on this form. I agree to all applicable laws in this jurisdiction.
