Policy Statement

That National Flag of Canada and the flags of the provinces, territories and cities are symbols of honor and pride for all Canadians. The manner in which flags may be displayed in Canada is not governed by legislation but is established practice. This policy sets guidelines for the County of Grande Prairie to ensure that we treat flags we display with respect and follow customs and etiquette recommended by the federal government.

All flags, including the National flag of Canada, the Union Jack, the flags of each province and the County of Grande Prairie flag are symbols of honor and pride for our citizens and should be treated with respect.
